

SCIENTIFIC PROGRAMME

Update: www.esrch.eu/scientific-programme-budapest

Pre-congress workshops

Full information: www.esrch.eu/pre-congress-workshops-budapest

You can still register on site for these workshops.

Wednesday, 9 May 2018

Room 177. Train the Trainer (TTT) course: Combined Hormonal Contraception (CHC) (09:00 - 11:30)

Room 172. Let us talk about sexuality and sexual health (15:00 - 17:30)

Room 180. Hands-on IUDs and implants (16:00 - 17:45)

Room 177. How to design & perform a study / enhance your grant application / meet regulatory approval (15:00 - 16:30)

Room 177. How to organise, write and read a paper (16:45 - 17:30)

Room 183. Practice of medical abortion (15:00 - 16:30)

Room 183. How to review a manuscript (16:45 - 17:30)

Room 163. Contraception - mission impossible? Red flags WHO MEC 4 (15:00 - 16:00)

Room 162. How to prevent and minimise contraceptive failure - the psychosomatic perspective and approach (15:00 - 17:30)

Abbreviations

- KL: Keynote lecture
- CONSES: Congress session
- JOINSES: Joint session
- EGSES: Expert Group session
- SOCSSES: Society session
- SPOSY: Sponsored symposium
- MTE: Meet the expert session
- FC: Free communication
- CIC: Confederación Iberoamericana de Contracepción
- EBCOG: European Board and College of Obstetrics and Gynaecology
- EEIRH: East European Institute for Reproductive Health
- EHF: European Headache Federation
- FSRH: Faculty of Sexual and Reproductive Healthcare
- ICMC: International Consortium for Male Contraception
- IPPF: International Planned Parenthood Federation
- ISGE: International Society of Gynaecological Endocrinology
- ISPOG: International Society of Psychosomatic Obstetrics and Gynaecology
- SEG: European Society of Gynecology
- UNFPA: United Nations Population Fund
- WHO: World Health Organization

Thursday, 10 May 2018

	Room A	Room B	Room C	Room D
08:30 - 09:00	Technology & basic science			
09:00 - 10:00	Technology & basic science Congress session From bench-to-bed-to the hand of women	Technology & basic science Joint session ESC - ICMC Male contraception	Expert Group session: EG on STI How to inform and reach women about STIs in the different age groups	Session of the Hungarian Society of Obst/gyn (in English)
10:00 - 10:30	Break and poster viewing (6 poster presentations)			
10:30 - 12:00	Clinical practice Congress session Life course approach: Contraception in the perimenopause	Sponsored Symposium	General/other Congress session Economics and epidemiology of contraception	Culture & Policies Congress session Culture and religion
12:00 - 13:45	Lunch and poster viewing (12 poster presentations)			
12:15 - 13:45 LUNCHTIME	Sponsored Symposium (ROOM A) Joint session ESC - CIC: Latinamerica, advances and problems (ROOM B) Joint session ESC - ISPOG: Good peri-abortion care from a bio-psycho-social perspective (12:45 - 13:45 - ROOM C) Meet the Experts 1: Treatment of side effects of contraception (12:45 - 13:45 - ROOM VIP II) Meet the Experts 2: How to select the optimal Levonorgestrel-releasing IUS (12:45 - 13:45 - FOYER OF HALL G) Meet the Experts 3: Clinical practice: Clinical cases (12:45 - 13:45 - ROOM D)			
13:45 - 15:15	Clinical practice Congress session Gynaecological disorders	Sponsored Symposium	Expert Group session Joint session ESC Expert group on abortion and FIAPAC	Free communications Young scientists
15:15 - 15:45	Break and poster viewing (6 poster presentations)			
15:45 - 17:15	Clinical practice Congress session Systemic medical conditions	Sponsored Symposium	Technology & basic science Congress session Emergency contraception	Session of the French-speaking Society of Contraception (in English)
17:15 - 18:15	ESC General Assembly (members only)			

Friday, 11 May 2018

	Room A	Room B	Room C	Room D
08:30 - 09:00	Quality of services			
09:00 - 10:00	Quality of services Congress session Components of quality	Clinical practice Congress session Life course approach Postpartum and postabortum	Technology & basic science Congress session Permanent contraception	Session of the Romanian Society of Obst/gyn (in English)
10:00 - 10:30	Break and poster viewing (6 poster presentations)			
10:30 - 12:00	Clinical practice Congress session IUD	Clinical practice Congress session Transgender health care	Joint session ESC - EHF European Headache Federation	
12:00 - 13:45	Lunch and poster viewing (13 poster presentations)			
12:30 - 13:30 LUNCHTIME	Expert Group session: Non-hormonal methods of contraception: IUDs and natural methods of family planning (ROOM A) Sponsored Symposium (ROOM B) Joint Session ESC - UNFPA - EEIRH: Eastern Europe (ROOM C) Joint Session ESC - ISGE: Menopausal transition: a period where COC and androgens can have a major role (ROOM D) Meet the Experts 4: Treatment of bleeding problems, progestine only contraception (ROOM VIP III) Meet the Experts 5: Endometriosis, migraine, positive family history (FOYER OF HALL G) Meet the Experts 6: Myths and misconceptions re pill risks (ROOM VIP II)			
13:30 - 15:00	Clinical practice Congress session Life course approach: adolescents	Late breaking news in Contraception	Culture & Policies Congress session Contraception and mental and sexual health	Granted projects
15:00 - 15:30	Break and poster viewing			
15:30 - 17:00	Culture & Policies Congress session Joint ESC WHO Human rights (HR) and FP & RH	Joint session ESC FSRH Evidence based service delivery - using public health and clinical evidence for effectiveness	Joint session WHO IPPF From evidence to guidance to action in contraception	Joint session SEG Gynecological endocrinology and contraception
17:00 - 18:00	Quality of services Congress session The web and social media	Expert group session Sexual education Gender and sexual health	Joint session EBCOG Collaboration in Sexual and Reproductive Health education	12th Meeting of the Diczfalusy Foundation (17:00 - 18:30)

Saturday 12 May 2018

Room B

08:30 - 09:00	General/other History of birth control
09:00 - 10:00	Clinical practice Congress session New developments
10:00 - 10:30	Break and poster viewing
10:30 - 12:00	Expert group session Future of Hormonal and Molecular Contraception Cancer
12:00 - 13:00	Closing ceremony

Room C

12th Meeting of the Diczfalusy Foundation
(08:15 - 12:00)

Break and poster viewing (09:45 - 10:00)

12th Meeting of the Diczfalusy Foundation

SCIENTIFIC PROGRAMME

WEDNESDAY, 9 MAY 2018

- 15:00 - 17:45 Pre-congress workshops (more details page 8)
18:00 - 19:15 Opening ceremony / welcome address / medal ceremony
19:15 - 20:15 Welcome reception

THURSDAY, 10 MAY 2018

- 08:30 - 09:00 KL01 Technology & basic science: introduction and overview
Room A
Chairs: E. Arisi (Italy), J. Rigó (Hungary)
 - K. Gemzell Danielsson (Sweden)
-

- 09:00 - 10:00 CONSES 01 Technology & basic science: From bench-to bed-to the hand of women
Room A
Chairs: K. Gemzell Danielsson (Sweden) • E. Arisi (Italy) • J. Rigó (Hungary)
09:00 - 09:26
 - New delivery systems in contraception • R. Sitruk Ware (USA)
09:26 - 09:53
 - Moving from EE to E2 and E4 • J.M. Foidart (Belgium)
09:53 - 10:00
 - FC: Effects of Estetrol on Thrombotic and Growth Parameters Associated with Vascular Remodelling • R. Dubey (Switzerland)

- 09:00 - 10:00 JOINSES 01 Technology & basic science: ESC - ICMC: Male contraception
Room B
Chairs: G. Merki (Switzerland) • D. Serfaty (France)
09:00 - 09:15
 - Introduction: activities of the ICMC • D. Serfaty (France)
09:15 - 09:30
 - Combined injection NETE+TU for male contraception • M. Festin (WHO)
09:30 - 09:45
 - The male pill • D. Blithe (USA)
09:45 - 10:00
 - Combined nesterone+testosterone gel for male contraception • C. Wang (USA)

09:00 - 10:00 EGSES 01 Expert Group on STI: How to inform and reach women about STI in the different age groups

Room C

Chair: P. Greenhouse (UK)

09:00 - 09:20

- Communication about sexuality in adolescence • S. Reuter (UK)

09:20 - 09:40

- Issues around STI and sexual abuse • G. Donders (Belgium)

09:40 - 10:00

- Can online sexual health services work? • P. Baraitser (UK)

09:00 - 10:00 SOCSSES 02 Hungarian Society of Obst/gyn: Contraception in Hungary: history, present and future (in English)

Room D

Chairs: J. Bódis (Hungary) • N. Ács (Hungary)

09:00 - 09:17

- The history of contraception in Hungary • N. Ács (Hungary)

09:17 - 09:34

- Current trends in contraception in Hungary • I. Sziller (Hungary)

09:34 - 09:50

- Future perspectives in Hungarian contraception • T. Major (Hungary)

09:50 - 10:00

- Discussion

10:00 - 10:30 Break and poster viewing (6 poster presentations at the ePoster stations in the exhibit area)

Station 1

10:05 - 10:15

- Masculine sexual performance beliefs are positively associated with the prevalence of erectile dysfunctions • N. Komlenac (Austria)

10:15 - 10:25

- Intrauterine contraception – do sub optimally placed devices migrate to the uterine fundus? • T. Dwivedi (UK)

Station 2

10:05 - 10:15

- Use of a video tool for intrauterine contraceptive counselling as an alternative to face-to-face counselling • J. Bignall (UK)

10:15 - 10:25

- A novel low-dose copper and nitinol intrauterine contraceptive: Phase 2 clinical trial data with 18-month data • D. Turok (USA)

Station 3

10:05 - 10:15

- “You stop thinking about yourself as a woman” An interpretive phenomenological study of the meaning of sexuality for Icelandic women during pregnancy and after delivery • S. Bender (Iceland)

10:15 - 10:25

- Does sterilisation without valid consent happen in the 21st Century? • S. Rowlands (UK)

10:30 - 12:00

Room A

10:30 - 10:55

CONSES 02 Clinical practice: Life course approach - Contraception in the perimenopause

Chairs: G. Merki (Switzerland) • G. Grebennikova (Kazakhstan) • A. Szilágyi (Hungary)

- Safety of estradiol containing combined hormonal contraceptives in perimenopausal women • A. Gompel (France)

10:55 - 11:20

11:20 - 11:45

11:45 - 11:52

- Mental disorders during perimenopause and comorbid sexual dysfunction • C. Soares (Canada)
- When to stop contraception: how to identify menopause in POP and CHC users • C. Kreutzer (Romania)
- FC: Targeting contraceptive advice and supply in community settings: development of a clinical prediction rule using psychosocial questions • N. Edelman (UK)

11:52 - 12:00

- FC: Cardiovascular Safety in Users of Different Combined Oral Contraceptives – Final results from the INAS-SCORE Study • K. Heinemann (Germany)

10:30 - 12:00

Room B

SPOSY 01 Sponsored Symposium

10:30 - 12:00

Room C

10:30 - 10:55

10:55 - 11:20

CONSES 03 General/other: Economics and Epidemiology of Contraception

Chairs: C. Picavet (Netherlands) • G. Creatsas (Greece)

- The economic benefits of meeting unmet need for contraception • J. Trussell (USA)
- Contraceptives reimbursement: different public policies within Europe - which evidence? • M. Oliveira da Silva (Portugal)

11:20 - 11:45

11:45 - 11:52

- Challenges in contraceptive epidemiology • H. de Barros (Portugal)
- FC: Research integrated with policy makers: real-time health policy and service improvements during “CART- Mifepristone Implementation Research”, Canada • W. Norman (Canada)

11:52 - 12:00

- FC: The provision of free-of-charge LARC methods and the risk of unintended pregnancy – a register based cohort study • F. Gyllenberg (Finland)

10:30 - 12:00

Room D

10:30 - 10:55

10:55 - 11:20

11:20 - 11:45

11:45 - 11:52

CONSES 04 Culture & Policies: Culture and religion

Chairs: S. Ozalp (Turkey) • N. Salakos (Greece) • I. Potapenkova (Latvia)

- Gynaecological health care in immigrants (incl contraception) • S. Kalantaridou (Greece)
- Cultural diversity of sexuality education in Europe • G. Lazdane (Latvia)
- Contraception and aboriginal culture: lessons from across Australia • D. Bateson (Australia)
- FC: Factors influencing the sexual and reproductive health of Muslim women - a systematic review • N. Alomair (UK)

11:52 - 12:00 • FC: Sexuality Education in Europe and Central Asia: An overview of 25 Countries • E. Ketting (the Netherlands)

12:00 - 13:45 Lunch and poster viewing (12 poster presentations at the ePoster stations in the exhibit area)

Station 1

- 12.20 - 12.30 • Multicentric review of patients' reasons for Mirena coil removal and it's wider clinical & economical implications • N. Acladiou (UK)
 - 12.40 - 12.50 • Should we offer immediate post-partum insertion of IUDs to Brazilian adolescents? • S. Giovannelli (Brazil)
 - 12.55 - 13.05 • Insertion- and removal-related events associated with the NEXPLANON contraceptive implant: Results from the Nexplanon Observational Risk Assessment (NORA) Study • S. Reed (Germany)
 - 13:10 - 13:20 • Risk of abortion 1-2 years after childbirth in relation to contraceptive choice • J. Brynhildsen (Sweden)
-

Station 2

- 12.20 - 12.30 • Contraception in renal transplanted women: is the injectable contraceptive a safe option? • L. Carbone (Brazil)
 - 12.40 - 12.50 • CHLOE (contraception: helping for women's choice) questionnaire development and linguistic validation in 5 languages • I. Lete Lasa (Spain)
 - 13:00 - 13:10 • Long-acting reversible contraception free-of-charge – who chooses it? • T. Saloranta (Finland)
-

Station 3

- 12.20 - 12.30 • Pertinence and outcome of referrals to gynaecology department from sexual health ultrasound clinic • N. Aziz (UK)
- 12.40 - 12.50 • Feasibility and acceptability of providing immediate postpartum intrauterine contraception (PPIUC) in a public maternity service • M. Cooper (UK)
- 12.55 - 13.05 • Health institutions and schools: can they interact in sexual and reproductive health education? A Portuguese innovative project • C. Rodrigues (Portugal)
- 13:10 - 13:20 • Medical and legal aspects of child sexual abuse: a population-based study in a Hungarian county • A. Enyedy (Germany)

12:15 - 13:45 SPOSY 02 Sponsored Symposium

Room A

12:15 - 13:45

Room B

12:15 - 12:45

12:45 - 13:15

13:15 - 13:45

JOINSES 04 ESC - CIC: Latinamerica, advances and problems ..

Chairs: I. Ramirez (Spain) • R. Lertxundi (Spain)

- Legislation on contraception and abortion in Latinamerica • L. Ferreira Vicente (Portugal)
- Medical termination of pregnancy in Latinamerica • R. Schiavon (Mexico)
- Iberoamerican master on contraception, sexual and reproductive health • R. Lertxundi (Spain)

12:45 - 13:45

Room C

12:45 - 13:05

13:05 - 13:25

13:25 - 13:45

JOINSES 02 ESC - ISPOG: Good peri-abortion care from a bio-psycho-social perspective

Chairs: V. Pramataroff (Germany) • S. Tschudin (Switzerland)

- Peri-abortion care: When is it too much and when too little? • S. Tschudin (Switzerland)
- What are women's emotional needs? - Evidence and practice • H. Rowe (Australia)
- Peri-abortion counselling and care in case of congenital anomalies and chromosomal abnormalities • M. Paarlberg (the Netherlands)

12:45 - 13:45

Room VIP II

MTE 01 Treatment of side effects of contraception (Max 25 participants)

Coordinators: F. Roumen (the Netherlands) • G. Merki (Switzerland)

Interactive memory game and slide presentation on the treatment of common side effects of combined hormonal contraception (irregular bleeding, headache, weight gain, nausea, skin changes, breast tenderness, vaginal complaints, libido loss and mood changes)

12:45 - 13:45

Foyer of Hall G

MTE 02 How to select the optimal levonorgestrel-releasing IUS (LNG-IUS)? (Max 50 participants)

Moderators: D. Mansour (UK) • A. Godinho-Lourenco (Switzerland)

This is a workshop to help clinicians select the optimal levonorgestrel-releasing intrauterine system to meet the needs of their patients. It will be interactive using case-based discussion to help the group reach a consensus about which device is ideal for different groups of woman, if these devices result in differing fitting and post-fitting pelvic pain, the differences in progestogen side effects experienced by women using these devices, the benefits on cycle control, heavy menstrual bleeding and dysmenorrhoea with these different devices and their use in perimenopausal contraception and endometrial protection.

12:45 - 13:45

Room D

MTE 03 Clinical practice: Clinical cases (Max 50 participants)

Moderators: K. Sedlecky (Serbia) • F. Mehmedovic (Bosnia & Herzegovina) • A. Kapamadžija (Serbia)

- Participants might expect to increase their understanding of medical and social factors that influence a contraceptive choice in different life-stages.

- Short presentations on the main characteristics of each reproductive stage (adolescence, middle age, over 40s)
- Presentation will include psycho-social factors (social/cultural determinants) that are influencing choices
- Case studies and moderated discussion

13:45 - 15:15

Room A

CONSES 05 Clinical practice: Gynaecological disorders

Chairs: M. Toschi (Italy) • F. Bánhidly (Hungary) • A. Dainiene (UK)

13:45 - 14:10

- PCOS: Intervention possibilities • S. Skouby (Denmark)

14:10 - 14:35

- Is Premenstrual syndrome (PMS) / Premenstrual dysphoric disorder (PMDD) due to paradoxical effects of progesterone metabolites and possible to treat? • T. Bäckström (Sweden)

14:35 - 15:00

- Adenomyosis: a challenging condition from adolescence till the menopause • M. Correa Rancel (Spain)

15:00 - 15:07

- FC: Does salpingectomy provide further cancer risk reduction in women without a deleterious BRCA1/2 variant? • L. Shulman (USA)

15:07 - 15:15

- FC: Sexually Transmitted Infections – The experience of an Adolescents'Unit • M. Brito (Portugal)

13:45 - 14:45

Room B

SPOSY 04 Sponsored Symposium

13:45 - 15:15

Room C

JOINSES 03 ESC Expert group on abortion and FIAPAC

Chairs: N. Martens (Belgium) • A. Jansen van Hees (the Netherlands) • G. Németh (Hungary)

13:45 - 14:15

- Restrictions to access to abortion • S. Rowlands (UK)

14:15 - 14:45

- Safe options for women • K. Gemzell Danielsson (Sweden)

14:45 - 15:15

- Training of providers • S. Cameron (UK)

13:45 - 15:15

Room D

FC YS Free Communications: Young scientists

Chairs: S. Raine (UK) • D. Archer (USA)

13:45 - 14:00

- Implementing a venous thromboembolism risk assessment in an abortion service • F. von Hawrylak (UK)

14:00 - 14:15

- The modulation of progestins in the RNA expression of progesterone and glucocorticoid receptors in endometrial stromal cells exposed to inflammation • G. Grandi (Italy)

14:15 - 14:30

- Weight gain associated with LARC method use within a racially diverse patient population • R. Hattiangadi (USA)

- 14:30 - 14:45 • Health care differences across Europe concerning routine check-up of perforation risk with intrauterine devices: results of the EURAS-IUD study • P. De Corte (Germany)
- 14:45 - 15:00 • Don't mention the "S" Word! • A. Forsythe (UK)
-

15:15 - 15:45 Break and poster viewing (6 poster presentations)

Station 1

- 15:20 - 15:30 • The frequency of premenstrual syndrome (PMS) among female student of medical universities of Almaty City • N. Kobzar (Kazakhstan)
- 15:30 - 15:40 • Catalyzing research to expand the contraceptive method mix: developing new contraceptive technologies and refining existing ones • V. Halpern (USA)
-

Station 2

- 15:20 - 15:30 • We still have a long way to go with LARCs; Knowledge, attitudes and practice of general practitioners (GPs) in the Australian Contraceptive ChOice pRoject (ACCORD) • D. Mazza (USA)
- 15:30 - 15:40 • Unintended Pregnancies in Users of Different Combined Oral Contraceptives – Final results from the INAS-SCORE Study • K. Heinemann (Germany)
-

Station 3

- 15:20 - 15:30 • Post-partum intrauterine device insertion: a good experience in a public Brazilian hospital • S. Giovanelli (Brazil)
- 15:30 - 15:40 • Reports of Acceptability by Women using Novel Contraceptive Vaginal Rings in Diverse Settings • R. Merkatz (USA)
-

15:45 - 17:15 CONSES 06 Clinical practice: Systemic medical conditions - Reproductive Health for young women with long-term illness

Room A

Chairs: M. Short (Ireland) • I. Wolman (Israel) • E. Lopez Arregui (Spain)

- 15:45 - 16:10 • Contraception for the obese woman • R. Sitruk Ware (USA)
- 16:10 - 16:35 • Contraception, HIV and STI • G.A. Grebennikova (Kazakhstan)
- 16:35 - 17:01 • Autoimmune disease, contraception and reproduction • D. Lazaris (Greece)
- 17:01 - 17:08 • FC: Pharmacokinetic profile of oral desogestrel before and after gastric by pass surgery • C. Ginstman (Sweden)
- 17:08 - 17:15 • FC: Contraception for women with cardiac disease • C. Gouveia (Brazil)

15:45 - 17:15 SPOSY 03 Sponsored Symposium
Room B

15:45 - 17:15 CONSES 07 Technology & basic science: Emergency contraception

Room C
Chair: C. Puig (ECEC) • C. Murphy (UK)

- 15:45 - 16:10
- Facts and myths around Emergency Contraception: EC use in adolescents, repeated and peri-coital use of EC pills and advanced provision • N. Envall (Sweden)
- 16:10 - 16:35
- Emergency contraception for adolescents • G. Creatsas (Greece)
- 16:35 - 17:00
- Access to EC: trends in use, persistent challenges and new solutions • K. Cleland (USA)
- 17:00 - 17:07
- FC: The EC wheel: A tool to promote choice and evidence-based counselling on emergency contraception • C. Puig Borrás (Spain)
- 17:07 - 17:15
- FC: Male perceptions, knowledge and experiences of accessing emergency contraception in the South African setting • J. Smit (Switzerland)

15:45 - 17:15 SOCSSES 01 Session of the French-speaking Society of Contraception (in English)

Room D
Chairs: B. Thieba-Bonane (Burkina-Faso) • D. Serfaty (France) • H.Chelli (Tunisia) • M. Bouzekrini (Algeria) • M. Yacoubi (Morocco)

- 15:45 - 16:05
- Humour: a disposition of mind or feeling. It also applies to contraception • J.J. Amy (Belgium)
- 16:05 - 16:25
- Hormonophobia and contraception. How can we react? • J. Bitzer (Switzerland)
- 16:25 - 16:45
- Contraception in overweight and obese women • D. Serfaty (France)

17:15 - 18:15 General Assembly of the ESC (members only)
Room B

FRIDAY, 11 MAY 2018

- 08:30 - 09:00
Room A
- KL02 Quality of services: overview about standards of care, content of services, principles of training and possible indicators for evaluation and measurement
Chairs: D. O'Neill (Ireland) • R. Póka (Hungary)
• J. Bitzer (Switzerland)
-
- 09:00 - 10:00
Room A
- CONSES 08 Quality of services: Components of quality: training, service delivery and research
Chairs: D. O'Neill (Ireland) • R. Póka (Hungary)
- 09:00 - 09:18
09:18 - 09:36
09:36 - 09:53
09:53 - 10:00
- Education and training across Europe • K. Sedlecky (Serbia)
 - Models of Sexual and Reproductive Healthcare, UK • A. Kasliwal (UK)
 - Indicators and Research • M. Ali (WHO)
 - FC: Developing a contraceptive counselling online learning course • P. Baraitser (UK)
- 09:00 - 10:00
Room B
- CONSES 09 Clinical practice: Life course approach - Postpartum and postabortion
Chairs: S. Cameron (UK) • G. Nemeth (Hungary)
- 09:00 - 09:27
09:27 - 09:53
09:53 - 10:00
- Postpartum contraception • J. Brynhildsen (Sweden)
 - Postabortion contraception • O. Heikinheimo (Finland)
 - FC: Hormonal contraception and female sexuality: analysis of the FECOND survey • P. Mourey (France)
- 09:00 - 10:00
Room C
- CONSES 10 Technology & basic science: Permanent contraception
Chairs: T. Vejnovic (Serbia) • P. Lobo (Spain)
- 09:00 - 09:26
09:26 - 09:53
09:53 - 10:00
- Male sterilisation as an alternative and contribution • F. Roumen (the Netherlands)
 - Should we still perform tubal ligation instead of salpingectomy at the time of female sterilisation? • P. Lobo (Spain)
 - FC: Trends and uptake of Immediate Post-partum Long Acting Reversible Contraception Services in a Tertiary Teaching Hospital in Kenya • R. Mogeni (Kenya)
- 09:00 - 10:00
Room D
- SOCSES 03 Romanian Society of Obst/gyn: Romanian crossroads in contraception (in English)
Chairs: M. Cirstoiu (Romania) • M. Craina (Romania)
- 09:00 - 09:20
- Family planning and contraception in Romania. 27 years of experience: results and challenges • M. Horga (Romania)

- 09:20 - 09:40 • Current trends and good medical practice in contraception for fertile age women • N. Suci (Romania)
- 09:40 - 10:00 • Education for a healthy reproduction behavior in teenagers • M. Cirstoiu (Romania)
-

10:00 - 10:30 Break and poster viewing (5 poster presentations)

- Station 1
- 10:05 - 10:15 • Perspectives on and willingness to use a novel male hormonal contraceptive – a qualitative study of Black males in Los Angeles, California USA • B. Nguyen (USA)
- 10:15 - 10:25 • Unintended pregnancy in adolescents: analysis of 10 years • A. Filipa Sousa (Portugal)
-

- Station 2
- 10:05 - 10:15 • Safety and efficacy of intrauterine devices: Baseline characteristics of 37,186 study participants from the EURAS-LCS12 study • C. Hagemann (Germany)
-

- Station 3
- 10:05 - 10:15 • Knowledge and behaviors of key influencers of young women on sexual and reproductive health in four Latin American countries • C. Vieira (Brazil)
- 10:15 - 10:25 • Obtaining Information about Contraception among Latvian Women at the Age between 18-40 • D. Baumanė-Auza (Latvia)
-

10:30 - 12:00 CONSES 11 Clinical practice: IUD

- Room A
- Chairs: G. Bárfai (Hungary) • E. Deligeorgiou (Greece) • B. Gyarmati (Hungary)
- 10:30 - 10:55 • The Intrauterine ball and Gynefix: Are they superior to T-shaped 3. generation copper devices? • A. Ber (israel)
- 10:55 - 11:20 • Potential problems and concerns about IUD insertion associated with high risk HPV and HIV infection • I. Lete Lasa (Spain)
- 11:20 - 11:45 • Length of endometrial cavity and other risk factors for IUD displacement, expulsion and reexpulsion • L. Bahamondes (Brazil)
- 11:45 - 11:52 • FC: Culture- and PCR-based detection of BV associated bacteria in the biofilm of removed IUDs • M. Szucs (Hungary)
-

- 11:52 - 12:00
- FC: Dimensional analysis of the endometrial cavity: how many dimensions should the ideal intrauterine device or system have? • N. Goldstuck (South Africa)

10:30 - 12:00
Room B

CONSES 12 Clinical practice: Transgender health care

Chairs: T. Bombas (Portugal) • K. Haldre (Estonia) • G. Németh (Hungary)

- 10:30 - 10:55
- Principles of transgender care, samples of best practices in Europe and how reproductive/sexual health care providers might contribute • P. De Sutter (Belgium)
- 10:55 - 11:20
- Dilemmas in transgender health care with special focus on the very young and very old • M. van Trotsenburg (Austria)
- 11:20 - 11:46
- Gynaecological aspects of treatment and follow-up of transsexual individual • S. Weyers (Belgium)
- 11:46 - 11:53
- FC: Fake news and contraception: mis- and disinformation concerning contraception in the internet and social media • D. Seidman (Israel)
- 11:53 - 12:00
- FC: Adolescent girls need for improved sexual education in Hungary • A. Varga-Tóth (Hungary)

10:30 - 12:00
Room C

JOINSES 05 ESC - EHF: Menstrual and hormonal Migraines / Risks and benefits associated with use of hormonal contraceptives

Chairs: G. Merki (Switzerland) • P. Martelletti (Italy)

- 10:30 - 10:50
- How to diagnose tension-type headache, migraine and menstrually-related migraine • P. Martelletti (Italy)
- 10:50 - 11:10
- Cardiovascular risks associated with migraine and use of combined hormonal contraception (and multiplication of risks with smoking, hypertension, use of combined hormonal contraceptives) • L. Vécsei (Hungary)
- 11:10 - 11:30
- Progestin-only contraception and beneficial effects on migraine • G. Merki (Switzerland)
- 11:30 - 11:50
- Combined hormonal contraception and migraine, WHO and EHF/ESCRH criteria and balancing risks and benefit S. Sacco (Italy)

12:00 - 13:30

Lunch and poster viewing (13 poster presentations)

Station 1

- 12:15 - 12:25
- The Effect of BMI on Unintended Pregnancy Rates amongst Users of Combined Oral Contraceptives • A. Bauerfeind (Germany)
- 12:30 - 12:40
- Trends in contraceptive method use in Britain: evidence from two national probability surveys • R. French (UK)
- 12:45 - 12:55
- www.abort-report.eu: a unique and synthetic website to share information on abortion legislation and

- 13:00 - 13:10 • statistics in Europe • T. Bombas (Portugal)
- 13:00 - 13:10 • Clinical development of a new generation etonogestrel/Ethinylestradiol vaginal ring: Comparative bioavailability and tolerability • P. Regidor (Germany)
- 13:20 - 13:30 • Is there stigma for working on abortion field? The care provider's perspective • T. Bombas (Portugal)

Station 2

- 12:15 - 12:25 • Sexual Education of Medical Students at University of Novi Sad • A. Vejnovic (Serbia)
- 12:30 - 12:40 • The acceptability of a mobile application for contraception • O. Lundberg (Sweden)
- 12:45 - 12:55 • Use of emergency contraception and savings for National Health System in Italy • E. Arisi (Italy)
- 13:00 - 13:10 • Hemostasiological status in females with recurrent miscarriage after usage of combined oral contraceptives • M. Kazhyna (Belarus)
- 13:20 - 13:30 • Influence of age and BMI on risk of venous thromboembolism: a pooled analysis of 246,513 women using combined oral contraceptives based on 521,516 women-years • C. Barnett (Germany)

Station 3

- 12:15 - 12:25 • Identification and prediction of the fertile window with a new web-based medical device using a vaginal biosensor for measuring the circadian and circamensual core body temperature • P. Regidor (Germany)
- 12:30 - 12:40 • Pain at insertion of the levonorgestrel-releasing intrauterine system in nulligravida and parous women with and without cesarean section • Ilza Monteiro (Brazil)

12:30 - 13:30 EGSES 02 Expert Group on Non-hormonal methods of contraception: IUDs and natural methods of family planning

- Room A
Chairs: P. Patroclou (Cyprus) • M. Farris (Italy)
- 12:30 - 12:50 • New developments in IUDs • D. Hubacher (USA)
- 12:50 - 13:10 • Typical reasons for removal of Cu releasing and hormone releasing IUDs • L. Bahamondes (Brazil)
- 13:10 - 13:30 • Natural methods • P. Frank-Hermann (Germany)

12:30 - 13:30 SPOSY 05 Sponsored Symposium

Room B

- 12:30 - 13:30 JOINSES 06 ESC UNFPA EEIRH: Eastern Europe
Room C
Chairs: T. Khomasuridze (UNFPA) • G. Merki (Switzerland) • T. Vejnovic (Serbia)

- 12:30 - 12:50 • “Choices, not chances” – UNFPA support to achieve universal access to family planning in EECA countries • T. Khomasuridze (UNFPA)
- 12:50 - 13:10 • The Virtual Contraceptive Consultation (ViC) online platform: developing capacity for evidence-based and rights-based family planning in Eastern Europe and Central Asia • M. Horga (EEIRH)
- 13:10 - 13:30 • ESC activities in Eastern European countries • G. Merki (Switzerland)

12:30 - 13:30 JOINSES 07 ESC ISGE: Menopausal transition: a period where COC and androgens can have a major role

Room D

Chairs: S. Skouby (Denmark) • J. Bitzer (Switzerland)

- 12:30 - 12:47 • COC's up to the age of Menopause? • M. Birkhaeuser (Switzerland)
- 12:47 - 13:04 • Do CHCs help mood and sexual well-being before menopause transition? • R. Nappi (Italy)
- 13:04 - 13:21 • Androgens deficiency and menopause transition: DHEA therapy • A. Genazzani (Italy)

12:30 - 13:30 MTE 04 Treatment of bleeding problems, progestin only contraception (Max 40 participants)

Room VIP III

Moderators: F. Palma (Portugal) • M. Abel (Estonia)

- 12:30 - 12:50 • Who, why and how to treat the bleeding problems • G. Gomes (Portugal)
- 12:50 - 13:30 • Practical cases with the four progestin only methods : POP, Inj, implants, SIU with bleeding problems • M. Abel (Estonia)

Learning objectives: know the more frequent patterns of bleeding from the several progestin only methods, decide who and how to treat if it's necessary, counseling, provide better satisfaction with the progestin only methods.

12:30 - 13:30 MTE 05 Clinical practice: Endometriosis, migraine, positive family history (Max 50 participants)

Foyer of Hall G

Moderators: B. Zilaitiene (Lithuania) • G. Grandi (Italy)

- 12:30 - 12:50 • The woman with endometriosis requiring effective contraception: how to behave in the different situations during the reproductive lifespan • G. Grandi (Italy)
- 12:50 - 13:10 • Migraine and hormonal contraception: what the clinician may prescribe and what to expect • G. Epple (Switzerland)
- 13:10 - 13:30 • Hormonal contraception in women with positive family history for VTE and cancer • B. Zilaitiene (Lithuania)

12:30 - 13:30 MTE 06 Myths and misconceptions of pill risks (Max 50 participants)

Room VIP II

Moderators: A. Mueck (Germany) • V. Prilepskaya (Russia)

- 12:30 - 12:45 • Cardiovascular risks • A. Mueck (Germany)
- 12:45 - 13:00 • Other risks • V. Prilepskaya (Russia)

Interactive discussion about myths and misconceptions of risks - "Cases, interactive discussion about options and best choice of hormonal contraception, considering labelling and WHO-MEC"

13:30 - 15:00

Room A

CONSES 13 Clinical practice - Life course approach: Adolescents

Chairs: L. Párducz (Hungary) • C. Birladeanu (Romania)

13:30 - 13:55

- Adolescent gynaecology made simple • J. Dickson (UK)

13:55 - 14:20

- LARC for adolescents • D. Apter (Finland)

14:20 - 14:46

- Sexuality education • K. Haldre (Estonia)

14:46 - 14:53

- FC: Predictors of Unscheduled Spotting and Bleeding in Women using Oral Drospirenone 4.0 mg for Contraception • D. Archer (USA)

14:46 - 14:53

- FC: Comics for contraception education in young adults: results from a quasi-experimental study • A. Sridhar (USA)

13:30 - 15:00

Room B

Late breaking news

Chairs: G. Merki (Switzerland) • H. Missey Kolb (France)

13:30 - 14:00

- New developments in LNG-IUS: The small 5-year low-dose levonorgestrel device (LNG-IUS 12). Clarification of the role in comparison to the LNG-IUS 20 • A. Nelson (USA)

14:00 - 14:10

- A new drospirenone only pill: Phase III trial data: Desogestrel 75 mcg vs Drospirenone 4mg • A. Kubba (UK)

14:10 - 14:35

- Is there an evidence for negative effects of hormonal contraceptives on mood • G. Merki (Switzerland)

14:35 - 15:00

- What women want and what they get - patients and gynaecologists' views on contraceptive counselling • J. Bitzer (Switzerland)

13:30 - 15:00

Room C

CONSES 14 Culture & Policies: Contraception and mental and sexual health

Chairs: N. Ács (Hungary) • L. Erofeeva (Russia) • E. Cengic (Bosnia & Herzegovina)

13:30 - 13:55

- Contraception and mental health • Ö. Lidegaard (Denmark)

13:55 - 14:20

- Prospective placebo controlled trials on COC and impact on sexual and mental health • I. Sundström Poromaa (Sweden)

14:20 - 14:46

- The Contraceptive Paradox - Society and impact of contraception on sexual and mental health • C. Fiala (Austria)

14:46 - 14:53

- FC: A retrospective multicenter study on the characteristics of women with repeat induced abortions in the Netherlands in 2015 • S. Kroeze (Netherlands)

- 14:53 - 15:00 • FC: Assessment of sexual-reproductive health in women with severe-moderate psychiatric pathology • M.A. Obiol (Spain)

13:30 - 15:00 **Granted projects**

Room D

Chairs: S. Randall (UK) • D. Archer (USA)

- 13:30 - 13:50 • Delivery of audiovisual information on early medical abortion care to women via tablet • J. Reynolds-Wright (UK)
- 13:50 - 14:10 • Men speak out: engaging men in female genital mutilation - prevention in Europe • F. Richard (Belgium)
- 14:10 - 14:30 • Emergency contraception in Albania: A multi-methods study of awareness, attitudes and practices • F. Doci (Canada/Albania)
- 14:30 - 14:50 • Prevalence and predictors of intimate partner violence & sexual victims and related psychiatric consequence - cross sectional study in Romania and Hungary • M. Vanya (Hungary)
-

15:00 - 15:30 **Break and poster viewing**

15:30 - 17:00 **CONSES 15 Culture & Policies: Human rights (HR) and FP & RH - Joint ESC - WHO**

Room A

Chairs: T. Bombas (Portugal) • A. Tula - Rijkure (Latvia)

- 15:30 - 15:40 • Overview of the process and outcome on development of the European Sexual and Reproductive Health Action Plan • G. Lazdane (WHO)
- 15:40 - 15:55 • Barriers on access to FP and other RH services in Europe: Providers perspective • T. Bombas (Portugal)
- 15:55 - 16:20 • International and European jurisprudence on reproductive health and rights • K. Thomasen (Denmark)
- 16:20 - 16:45 • Discussion
- 16:46 - 16:53 • FC: What contraceptives to refugee population • F. El Kak (Lebanon)
- 16:53 - 17:00 • FC: Pilot Center for Victims of Sexual Violence at Clinic for Gynaecology and Obstetrics - Clinical Center of Vojvodina in Novi Sad • K. Kričković Pele (Serbia)

15:30 - 17:00 **JOINSES 08 ESC FSRH: Evidence based service delivery - using public health and clinical evidence for effectiveness**

Room B

Chairs: A. Kasliwal (UK) • K. Haldre (Estonia)

- 15:30 - 16:00 • Using public health evidence to reduce unintended pregnancy • K. Wellings (UK)
- 16:00 - 16:30 • Developing evidence-based contraceptive guidance that is useful in practice • S. Hardman (UK)
- 16:30 - 17:00 • European guideline development or reporting adverse events to help support future guidance • K. Gersak (Slovenia)

- 15:30 - 17:00**
Room C
15:30 - 15:50
15:50 - 16:10
16:10 - 16:50
- JOINSES 09 WHO IPPF: From evidence to guidance to action in contraception**
Chairs: G. Merki (Switzerland) • G. Raven (the Netherlands)
- Risk of STIs and use of hormonal contraception – a review of the literature • M. Festin (WHO)
 - The WHO Selected Practice Recommendations for contraceptive use, 3rd edition: Ensuring safe and effective contraceptive services • M.L. Gaffield (WHO)
 - App instant messaging to increase acceptability of effective contraception among young people in Tajikistan: results from a randomised controlled trial • O. McCarthy (UK) • R. Tohirov (Tajikistan)
- 15:30 - 17:00**
Room D
- JOINSES 10 ESC - SEG: Gynecological endocrinology and contraception**
Chairs: R. Sitruk Ware (USA) • D. Pavicic Baldani (Croatia)
- PCO - enigma and challenge • S. Skouby (Denmark)
 - How to understand the action of COCs on the brain • A. Genazzani (Italy)
 - Male contraception - endocrine concepts • C. Wang (USA)
-
- 17:00 - 18:00**
Room A
17:00 - 17:17
17:17 - 17:35
17:35 - 17:53
17:53 - 18:00
- CONSES 16 Quality of services: The web and social media**
Chair: A. Kubba (UK) • M. Lech (Poland)
- Social media: friend or foe? • J. Dickson (UK)
 - Web based sexual health education • P. Baraitser (UK)
 - Moving contraceptive services online: models of care • T. van Every (UK)
 - FC: Providing telemedicine abortion care in Poland: An analysis of 18 months of service delivery through Women Help Women • A. Foster (Canada)
- 17:00 - 18:00**
Room B
17:00 - 17:15
17:15 - 17:30
17:30 - 17:45
17:45 - 18:00
- EGSES 03 Expert Group on Sexual Medicine and Sex Education: Gender and sexual health**
Chairs: D. Apter (Finland) • O. Loeber (the Netherlands) • J. Bódis (Hungary)
- Gender and sexual health - Influence of Gender on Sexual behaviour • F. Mehmedovic (Bosnia & Herzegovina)
 - Contraceptive choices for specific social groups • K. Sedlecky (Serbia) and T. Bombas (Portugal)
 - Screening sexual violence during family planning counselling • A. Kapamadžija (Serbia)
 - Discussion
- 17:00 - 18:00**
Room C
- JOINSES 11 ESC - EBCOG: Collaboration in Sexual and Reproductive Health education: EBCOG and ESC**
Chairs: R. Kirschner (Norway), G. Merki (Switzerland)

- 17:00 - 17:15 • EBCOG Standards of Care in Sexual and Reproductive Health (SRH) • T. Mahmood (UK)
- 17:15 - 17:30 • Challenges of Contraception Provision in EECA Region • T. Khomasuridze (UNFPA)
- 17:30 - 17:45 • Capacity building in EECA Region to address SRH Service Provision • J. Bitzer (Switzerland)
- 17:45 - 18:00 • Quality assurance of Future Specialists in SRH in Europe • R. Kirschner (Norway)

17:00 - 18:30 **12th Meeting of the Diczfalusy Foundation**

Room D Presidium: G. Telegdy (Hungary) • N. Suciú (Romania) • J. Bódis (Hungary) • T. Vejnovic (Serbia) • G. Bártfai (Hungary)

- 17:00 - 17:05 • Greetings Presidium
- 17:05 - 17:30 • Bestowal Ceremony
- 17:05 - 17:10 • Michael Feichtinger (Austria) laudation • A. Vejnovic (Serbia)
- 17:10 - 17:25 • Acceptance speech: The future of reproductive medicine - towards minimal invasive techniques and personalised ART • M. Feichtinger (Austria)
- 17:25 - 17:28 • Hand over the Medal • G. Bártfai (Hungary)

17:28 - 18:00 **Keynote lecture**

Chair: G. Németh (Hungary)

- Contraception in adolescence • G. Benagiano (Italy)

18:00 - 18:30 **Session 1**

Chair: G.R. Nagy (Hungary) • P. Koliba (Czech Republik) • N. Cetkovic (Serbia)

- 18:00 • IUGR and cardiovascular consequences • E. Cosmi (Italy)
- 18:15 • Report of the Young Diczfalusy Fellows • A. Vejnovic (Serbia)

SATURDAY, 12 MAY 2018

08:30 - 09:00 KL03 General/Other: History of birth control
Room B
Chairs: S. Skouby (Denmark) • J. Annus (Hungary)
• J.J. Amy (Belgium)

09:00 - 10:00 CONSES 17 Clinical practice: New developments
Room B
Chairs: S. Skouby (Denmark) • A. Stefanovic (Serbia)

- 09:00 - 09:20 • Vaccination: an update on the global/European HPV programmes and risk of autoimmune conditions • J. Mehlsen (Denmark)
- 09:20 - 09:40 • Prevention and control of chlamydia in Europe – from data to policies and testing recommendations • O. Mårdh (ECDC)
- 09:40 - 10:00 • WHO's response to Zika epidemic – a review of contraceptive sales in the setting of the Zika virus epidemic • M. Ali (WHO)
-

10:00 - 10:30 Break

10:30 - 12:00 EGSES 04 Expert Group on Future of Hormonal and Molecular Contraception: Contraception after cancer
Room B
Chairs: S. Cameron (UK) • J. Bitzer (Switzerland) • M. Koppán (Hungary)

10:30 - 10:50 • Hormonal contraception after breast cancer and ovarian cancer • A. Gompel (France)

10:50 - 11:10 • Endometrial cancer and contraception • A. Mueck (Germany)

11:10 - 11:30 • Contraception after non-gynecological cancers • A. Cagnacci (Italy)

11:30 - 12:00 • Discussion

08:15 - 12:00 12th Meeting of the Diczfalusy Foundation

Room C

08:15 - 09:45

Session 2

Chairs: P. Chitulea (Romania) • A. Stefanovic (Serbia) • G. Furau (Romania),

- 08:15 - 08:35 • Challenges and solutions in gradual medical education • F. Bari (Hungary)
 - 08:35 - 08:55 • “Driving licence” for the delivery ward – how to become a good obstetrician • D. Bettelheim (Austria)
 - 08:55 - 09:10 • Paradigm shift in the practical education of gynaecology • J. Bódis (Hungary) • J. Gábor Joó (Hungary)
 - 09:10 - 09:25 • The resident’s view on the current practical education and the vision of the future • C. Furau (Romania)
 - 09:25 - 09:30 • Four-year efficacy and safety of the Levosert levonorgestrel intrauterine system • M.D. Creinin (USA)
 - 09:35 - 09:45 • Discussion
-

09:45 - 10:00

Break

10:00 - 11:30

Session 3

Chair: Z. Niznaska (Slovakia) • M. Craina (Romania) • N. Cetkovic (Serbia)

- 10:00 - 10:20 • Diagnosis and Medical management of Heavy Menstrual Bleeding • D. Archer (USA)
- 10:20 - 10:40 • Spermatogenesis without testosterone • I. Huhtaniemi (Finland)
- 10:40 - 11:00 • Ovarian Ageing • A. Mitrovica Jovanovic (Serbia)
- 11:00 - 11:20 • Current trends in the diagnostic and operative laparoscopy • G. Németh (Hungary)
- 11:20 - 11:30 • Discussion

11:30 - 11:50

Poster session

Chair: M. Craina (Romania) • A. Szilágyi (Hungary) • A. Stefanovic (Serbia)

Presentation of the best posters

11:50 - 12:00

Closing • G. Benagiano (Italy) • T. Vejnovic (Serbia)

12:00 - 12:45

Closing Session

Room B

Chairs: G. Bártfai (Hungary) • G. Merki (Switzerland) • M. Short (Ireland)

12:00 – 12:05

- Presentation of the new ESC Executive Committee

12:05 – 12:30

- Congress take-home messages • G. Bartfai (Hungary) • G. Merki (Switzerland)

12:30 – 12:50

- Award Ceremony: Best free communication • Young Scientist award • Best Poster • Public Poster Award

12:50 – 13:00

- Invitation 16th ESC Congress 2020, Dublin • M. Short (Ireland)

Sponsored symposia

Thursday 10 May 2018

10:30 - 12:00

Room B

SPOSY 01 Sponsored symposium Bayer: Integrating clinical and real-world data: a Qlaira case study

Chair: J. Bitzer (Switzerland)

10:30 - 10:45

- Welcome & introduction: the importance of real-world data • J. Bitzer (Switzerland)

10:45 - 11:05

- Understanding the value of real-world data • A. Black (Canada)

11:05 - 11:45

- Integrating real world and clinical trial data for Qlaira: a conversation • R. Nappi (Italy) • G. Grandi (Italy)

11:45 - 12:00

- Panel discussion on real-world data: building a bridge to clinical practice • All Faculty Summary and close • J. Bitzer (Switzerland)

12:15 - 13:45

Room A

SPOSY 02 Sponsored symposium Gedeon Richter: Improving women's lives - impact of contraceptives on the wellbeing of women

Chair: J. Bitzer (Switzerland)

12:15 - 12:40

- Improving women's life and well-being – contraceptive's benefits with its additional values • J. Bitzer (Switzerland)

12:40 - 13:05

- Effects of different progestins on prostaglandin biosynthesis in human endometrial explants • K. Roth (Germany)

13:05 - 13:30

- LNG IUS specifically designed to meet expectations' of women of different age, parity and BMI • R. Spaczynski (Poland)

13:30 - 13:45

- Q & A

13:45 - 14:45

Room B

SPOSY 03 Gedeon Richter: Levonorgestrel Emergency contraception – update on recent data

Chair: N. Ács (Hungary)

- Levonorgestrel emergency contraception and bodyweight • L. Kardos (Hungary)

- 40-year-experience with LNG-EC • B. Frey Tirri (Switzerland)

- Does Levonorgestrel affect sperm functionality? • M. Durand (Mexico)

- Q & A

15:45 - 17:15

Room B

SPOSY 04 Sponsored symposium Exeltis: The evolution of contraceptive vaginal ring

Chairs: J. Bitzer (Switzerland), N. Acs (Hungary)

- Vaginal route of administration in contraception - Benefits, inconvenients and how counseling improves the use of this route • R. Nappi (Italy)

- Ornibel® the evolution of vaginal rings in contraception • I. Lete Lasa (Spain)

- Ornibel® from theory to practice - real life clinical experience • C. Egarter (Austria)
